Happy Father's Day

A Dad is a person
who is loving and kind,
And often he knows
what you have on your mind.

He's someone who listens,
suggests, and defends
A dad can be one
of your very best friends!

He's proud of your triumphs
but when things go wrong
A dad can be patient
and helpful and strong.

In all that you do,
a dad's love plays a part
There's always a place for him
deep in your heart.

And each year that passes
You're even more glad,
More grateful and proud
just to call him your dad!

Thank you, Dad .
for listening and caring
for giving and sharing
but, especially, for just being you!
Happy Father's Day
